

## Our team needs reinforcement!

For our rapidly expanding business unit "Artificial Intelligence", which deals with tasks such as image classification, object recognition and natural language processing, we are looking for **YOU!**

-  You have a technical education and are interested in computer science?
  -  Do you enjoy new experiences and do you feel creative?
  -  Are you drawn to technologies of the future?
  -  Do you have experience with programming languages like Python?
  -  Deep Learning, Neural Networks, PyTorch and Tensorflow are topics that inspire you?
- Are you ready to attend conferences and conventions and become part of the AI community?

## Then let's have a talk!

**YouCon** is a young, established Austrian medium-sized company with locations in Vienna, Munich and Kosice. We offer you a varied field of activity, good opportunities for further development (internal and external trainings), a positive corporate culture and service location in Vienna. We are happy to chat about the extent of employment – part-time, full-time, everything is possible!

Let us **get in touch!**

Collective agreement remuneration from € 80,000 / year. The salary depends on your knowledge and experience. An overpayment with appropriate qualification is given.

We look forward to receiving your inspiring application exclusively via email to [jobs@youcon.com](mailto:jobs@youcon.com)
